On each and every motor vehicle, trailer, or semi-trailer owned and operated by a person, firm, or corporation used or intended to be used for transporting persons to and from school, Sunday school, or church or other place of divine worship, there shall be a license fee of thirty-eight dollars and seventy-five cents (\$38.75).

E. Transitional provisions effective for 2007 license year only. Notwithstanding the preceding subsections, in order to adjust the amount of the vehicle license fee for the 2007 license year in recognition of the transition from the former April 15, 2007 expiration date for decals to the new June 5, 2007 due date for vehicle license fees, the vehicle license fee for the 2007 license year only is hereby reduced by thirty-three percent (33%) such that the fee shall be nineteen dollars and seventy-five cents (\$19.75) on each and every passenger vehicle and truck, and is hereby reduced by a corresponding thirty-three percent (33%) on motorcycles and all other motor vehicles, trailers, semi-trailers, etc. that are subject to the County license fee. This subsection shall automatically expire on or before December 31, 2007 and all annual County vehicle license fees for the 2008 license year and

For state law authority, see VA. CODE ANN. §46.2-752 (Repl. Vol. 2005). See also VA. CODE ANN. §46.2-694 (Repl. Vol. 2005); VA. CODE ANN. §46.2-694.1 (Repl. Vol. 2005), and VA. CODE ANN. §46.2-700 (Repl. Vol. 2005), and VA. CODE ANN. §46.2-701 (Repl. Vol. 2005).

Editor's note.--Former VA. CODE ANN. §46.2-699, which had provided for a state registration fee of six dollars and fifty cents (\$6.50) upon one-or two-wheeled trailers weighing no more than fifteen hundred (1,500) pounds and designed to be pulled by a passenger car, pickup or panel truck, was repealed in 1997. That section was superseded by VA. CODE ANN. §46.2-694.1 (Repl. Vol. 2005) which prescribes such fees for trailers and semi-trailers not designed and used for transportation of passengers and sets fees according to weight category. Under such categories, a trailer of 1,500 pounds or less would be subject to a state registration fee of ten (\$10.00) dollars per year, and a trailer of fifteen thousand five-hundred and one (1,501) pounds to four thousand (4,000) pounds would be subject to a state registration fee of \$20.50 per year. Pittsylvania County is authorized to assess a County license fee equal to or lesser than the state fee. (B.S.M. 12-4-06) (B.S.M. 04-06-09)

SEC. 9-55. UNLICENSED MOTOR VEHICLE FEE - PURPOSE; FEE IMPOSED; AMOUNT; LICENSE YEAR; DUE DATE; TRANSITIONAL PROVISIONS FOR 2007 LICENSE YEAR.

A. Recognizing that unlicensed motor vehicles are more likely to be junk vehicles than are licensed vehicles and that unlicensed motor vehicles are more likely to create safety, health, and aesthetic problems than are licensed vehicles, the Pittsylvania County Board of Supervisors, pursuant to the authority granted by VA. CODE ANN. Section 15.2-973 (Repl. Vol. 2003), does hereby impose an annual license fee of thirty-eight dollars and seventy-five cents (\$38.75) per motor vehicle on owners of motor vehicles located in Pittsylvania County which do not display current State license plates and which are not exempted from the requirements of displaying such license plates under the provisions of Section 9-55 of this Code or as specified in VA. CODE ANN. Section 15.2-973 (Repl. Vol. 2003). The license year with respect to which the fee required to be paid under this article is assessed shall be January 1 through December 31st of each year. The fee assessed under this article shall be assessed to the owner of each unlicensed motor vehicle as provided in this article for motor vehicles owned on January 1st of each year. (B.S.M. 04-06-09)

D. It shall be presumed that the owner of the motor vehicle is the person on whose land the motor vehicle is located unless otherwise shown and it shall be presumed that the motor vehicle has been parked, kept or garaged primarily in Pittsylvania County since January 1st of the year of enforcement unless otherwise shown.

E. Transitional provisions effective for 2007 license year only. Notwithstanding the preceding subsections, in order to adjust the amount of the unlicensed motor vehicle fee for the 2007 license year in recognition of the transition from the former April 15, 2007 expiration date for decals to the new June 5, 2007 due date for the unlicensed motor vehicle fees, the unlicensed motor vehicle fee for the 2007 license year only is hereby reduced by thirty-three percent (33%). This subsection shall automatically expire on or before December 31, 2007 and the County unlicensed motor vehicle fees for the 2008 license year and thereafter shall be imposed at the full amount of twenty-nine dollars and fifty cents (\$29.50) as specified in the preceding subsections of this section and such fees shall be payable on or before June 5th of each year, beginning June 5, 2007.

For state law authority, see VA. CODE ANN. Section 15.2-973 (Repl. Vol. 2003).

Editor's note.-- For case law establishing that the unlicensed motor vehicle tax or fee imposed by this section shall apply to unlicensed motor vehicles as defined in Section 9-54 of this Code, whether operable or inoperable, unless specifically exempted by the provisions of Section 9-55 of this Code or unless otherwise licensed under other provisions of this chapter, see *Duke v. County of Pulaski*, 219 Va. 428 (247 S.E.2d 824) (1978), which case is summarized in the editor's notes following Section 9-56 of this Code.

SEC. 9-56. SAME – EXEMPTIONS.

A. The following classifications of motor vehicles shall be exempted from the unlicensed motor vehicle fee imposed by Section 9-55 of this Code:

1. Vehicles exempted from the requirements of displaying current license plates under the provisions of:

(i) VA. CODE ANN. Section 46.2-662 et seq. (Repl. Vol. 2005) (Article 6 of Chapter 6 of Title 46.2); or

(ii) VA. CODE ANN. Section 46.2-1554 (Repl. Vol. 2005), regarding movement of motor vehicles by manufacturer to place of shipment or delivery; or

(iii) VA. CODE ANN. Section 46.2-1555 (Repl. Vol. 2005), regarding movement of motor vehicles by dealers to salesrooms, etc; or

2. Vehicles in a public dump; or

3. Vehicles in an automobile graveyard, as defined in Section 15-48 of this Code and VA. CODE ANN. Section 33.1-348 (Repl. Vol. 2005); or

4. Vehicles in the possession of a licensed junk dealer; or

5. Vehicles in the possession of a licensed motor vehicle dealer; or

6. Any vehicles which are stored on private property for a period not in excess of sixty (60) days, for the purpose of removing parts for the repair of another vehicle; or

7. Any vehicles being held or stored by or at the direction of any governmental authority; or

8. Any vehicles personally owned or leased, in whole or in part, by a member of the armed services of the United States on active duty. For the purposes of this section “the armed services of the United States” includes active duty service with the regular Armed Forces of the United States or the National Guard or other reserve component; or

9. Any vehicles regularly stored within a structure; or

10. Any vehicle that is exempted by state law from requirement to display a State license plate.

B. While vehicles described in subsection (a) of this section shall be exempted from the unlicensed motor vehicle fee imposed by Section 9-55 of this Code, these motor vehicles are not necessarily

exempt from the Pittsylvania County Zoning Ordinance (Chapter 35 of this Code), or any other provision of this Code prohibiting or limiting the number of unlicensed or inoperative motor vehicles in certain areas of the County.

For state law authority, see VA. CODE ANN. Section 15.2-973 (Repl. Vol. 2003).

Editor's notes. --VA. CODE ANN. Section 46.2-662 et seq. (Repl. Vol. 2005) pertains to licensing exemptions for backhoes, certain vehicles used for spraying fruit trees and for other agricultural, horticultural, or farm purposes, farm machinery and tractors, tractors and other vehicles used in harvesting, sawmill, mining, quarrying, or commercial fishing operations, golf carts, self-propelled wheelchairs, forklifts, snowmobiles, vehicles used for fire-fighting, lifesaving, first aid or rescue, machinery used for highway purposes, traction engines, etc.

In *Duke v. County of Pulaski*, 219 Va. 428 (247 S.E.2d 824) (1978), the Supreme Court of Virginia examined a similar ordinance, enacted pursuant to the authority of former VA. CODE ANN. Section 15.1-27.1, now codified as VA. CODE ANN. Section 15.2-973 (Repl. Vol. 2003). While the Court conceded that not all unlicensed vehicles are junk, it recognized that "unlicensed vehicles are much more likely to be junk vehicles than are licensed vehicles. And unlicensed vehicles are far more likely to create safety, health, and aesthetic problems than are licensed vehicles." (at p. 434). Thus, the Court found that the distinction drawn between licensed and unlicensed motor vehicles is neither unreasonable nor arbitrary. The Court then examined the exemptions in that ordinance. The exemptions were upheld as constitutional because the classifications created have a rational basis and are reasonably related to the purpose of the ordinance. Furthermore, the fact that "every possible exemption which could be justified is not provided for does not invalidate the ordinance in its application to one occupying a non-exempt status". (at p. 437). Finally, the Court held that Duke, the owner of four unlicensed vehicles, two of which were acknowledged to be otherwise operable, was subject to the unlicensed motor vehicle tax imposed by that ordinance.

SEC. 9-57. PENALTY FOR VIOLATIONS.

A. It shall be unlawful for any owner or operator of a motor vehicle to fail to pay the license fee required by this article.

B. A violation of this section shall constitute a Class 4 misdemeanor and, upon conviction, shall be punished by a fine not exceeding two hundred and fifty (\$250.00) dollars. In the case of a motor vehicle registered to a resident of the locality where such vehicle is registered, local law-enforcement officers may issue citations, summonses, parking tickets, or uniform traffic summonses for violations.

C. A violation of this section by the registered owner of the vehicle shall not be discharged by payment of a fine imposed under subsection (b) hereof, except upon presentation of satisfactory evidence that the required license fee has been paid.

For state law authority, see VA. CODE ANN. §15.2-973 (Repl. Vol. 2003) and §46.2-752G (Repl. Vol. 2005). For penalty for misdemeanor, see §1-6 of this Code. See also VA. CODE ANN. §15.2-1429 (Repl. Vol. 2003) and §18.2-11 (Repl. Vol. 2004).

SEC. 9-58. PARTIAL INVALIDITY.

If any section, phrase or part of this article, should for any reason, be held invalid by a court of competent jurisdiction, such decision shall not affect the remainder of the article and every remaining section, ordinance, clause, or part thereof shall continue in full force and effect.

ARTICLE VIII.

VIDEO-MONITORING SYSTEM

Sec. 9-201. Definitions.

For the purposes of this article and, unless otherwise required by the context, “video-monitoring system” shall mean a system with one (1) or more camera sensors and computers installed and operated on a school bus that produces live and recorded video of motor vehicles being operated in violation of Virginia Code § 46.2-859. Such system shall, at a minimum, produce a recorded image of the license plate and shall record the activation status of at least one (1) warning device as prescribed in Virginia Code § 46.2-1090 and the time, date, and location of the vehicle when the image is recorded.

Sec. 9-202. Authorization.

A. *Authorization.* Pursuant to Virginia Code § 46.2-844, the County authorizes the School Division to install and operate video-monitoring systems in or on the Division’s school buses.

B. *Private Entities.* Pursuant to the Virginia Public Procurement Act, the School Division may enter into an Agreement with a private entity to provide the video-monitoring systems and all related support services, to include consulting, operations, and administration for the purpose of recording violations of Virginia Code § 46.2-844 (A). A private entity may not obtain records on behalf of the County regarding the registered owners of vehicles captured by a video-monitoring system. Only a law enforcement officer employed by the County may issue a civil summons or ticket pursuant to this Article.

C. *Restricted Collection of Information.* Personal information collected by a video-monitoring system installed and operated pursuant to this Article shall be limited exclusively to that information that is necessary for the enforcement of violations of Virginia Code §§ 46.2-844 (A) or 46.2-859.

Sec. 903. Passing Stopped School Buses Violations; Civil Penalty.

A. *Elements of Violation.* The operator of a vehicle will be deemed to be in violation of this Section if such vehicle is found, as evidenced from a video-monitoring system, to have failed to stop such vehicle when approaching, from any direction, any school bus which is stopped on any highway, private road, or school driveway for the purpose of taking on or discharging children, the elderly, or mentally or physically handicapped persons, and the vehicle fails to remain stopped until all such persons are clear of the highway, private road, or school driveway and the bus is put in motion.

B. *Evidence of violation.* In any prosecution for which a civil summons is issued within ten (10) days of the alleged violation, proof that the motor vehicle described in the summons was operated in violation of this Section, together with proof that the Defendant was at the time of such violation the registered owner of the vehicle, as required by Chapter 6 of Title 46.2 of the Code of Virginia, 1950, as amended, shall give rise to a rebuttable presumption that the registered owner of the vehicle was the person who operated the vehicle at the place where, and for the time during which, the violation occurred.

The testimony of the school bus driver, the supervisor of school buses, or a law-enforcement officer that the vehicle was yellow, conspicuously marked as a school bus, and equipped with warning devices as prescribed in Virginia Code § 46.2-1090 is *prima facie* evidence that the vehicle is a school bus.

C. *Civil Summons.* A civil summons shall contain, at a minimum, the following information: (i) the name and address of the person charged; (ii) the nature of the violation and the Section of this Chapter allegedly violated; (iii) the location and date that the violation occurred or was observed; (iv) the amount of the civil penalty for the violation; (v) the manner, location, and time in which the civil penalty may be paid to the County; and (vi) the right of the recipient of the summons or ticket to elect to stand trial and that a signature to an admission of liability will have the same force and effect as a judgment of a court. If the person issued a summons does not admit to liability and pay the civil penalty, the person may be served with a summons pursuant to Virginia Code § 19.2-74 to appear in court for trial.

D. *Civil Penalties.* The operator of a vehicle deemed to be in violation of this Section shall be subject to the following:

1. *Amount of Civil Penalty.* Any violation of this Section shall be subject to a civil penalty of two hundred and fifty dollars (\$250.00), payable to Pittsylvania County Public Schools.

2. *Civil Penalties are in lieu of Criminal Penalties.* A civil penalty imposed pursuant to this Section is a bar to a prosecution or proceeding under Virginia Code § 46.2-859 for the same act. (B.S.M. 11/28/2017)
