Eligibility and contribution limits to your health savings account (HSA) are determined by the effective date of your high-deductible health plan (HDHP). If you're covered as of December 1, you're considered an eligible individual for the entire year and you're not required to pro-rate your contributions. If you cease to be an eligible individual during the next calendar year, any funding over the prorated amount is considered an excess contribution and subject to a penalty and income tax. For further information or to review eligibility, please contact HealthEquity Member Services at 866.346.5800.
