ADOPTED BUDGET

FISCAL YEAR 2016-2017

April 4, 2016

FY 2016-2017 Budget Narrative

Background

“The Code of Virginia states that a County budget shall be developed for informative and fiscal planning purposes. As adopted by the Board of Supervisors, it serves as a plan for County operations, maintenance, capital outlay, and debt service during a fiscal year, and may include a reserve for contingencies and capital improvements. The annual budget must contain a complete itemization of all estimated expenditures, revenues, and borrowings, and must be approved by the governing body. In adopting the budget and making appropriations, the Board is able to direct local resources toward providing the desired level of local government services within the County.” (Source: *Virginia County Supervisors’ Manual*, 7th edition, Virginia Association of Counties).

The BOS has a tremendous burden annually in considering and adopting a budget. As part of the process, the Finance Committee met a total of five times and considered financials from last fiscal year, year-to date budget projections, priorities for inclusion in the upcoming budget, budget options, and budget adjustments prior to making a full recommendation to the full Board of Supervisors.

FY17 Budget Overview

Since the FY2015-16 Budget, the County has addressed several items with respect to the budget, beginning with the outstanding debt of the \$20 million high school construction project by paying the debt down by \$5 million from the County’s Fund Balance, and by directing staff to proceed with permanent financing of the remaining \$15 million. Secondly, the County advanced the Animal Welfare Facility Project to the pre-bid phase. Thirdly, the County is preparing to start the Middle School Parks Project; and lastly, the County added two (2) new compactor sites.

The Finance Committee and Board of Supervisors provided budget guidelines to staff. These guiding principles were to include no increases to taxes or fees, to carefully review all budget requests and to fund only vital capital projects.

The FY2016-17 Budget does include the following: a new compactor site in Keeling, the initial expenses for the next real estate reassessment, the 1% VRS Mandate and a 2% COLA for full-time County employees and Constitutional employees, the Tourism Project with the Chamber of Commerce and the City of Danville, and the Principal plus interest payment to start paying down the remaining \$15 million (to be paid over a 15 year period) of High School Construction capital costs.

Furthermore, the budget includes a local appropriation of \$16,736,709 for Education and authorizes up to another \$349,992 in carryover funds from the FY16 to the FY17 School Operating Budget, contingent upon such savings in the current fiscal year’s School Operating

Budget. This would provide level local funds for Education to accompany additional funding included in the State Budget.

Lastly, the Budget includes the carryover of up to \$160,000 of unexpended funds from FY16 to FY17 for Fire and Rescue expenditures including training, communications, and \$70,000 towards the cost of a second ambulance; \$25,000 for a Jail Study Update; and the Balloon Payment of \$1,864,300 for the final payment of 2009 Refinance of School/Landfill Bonds.

Respectfully,

Clarence C. Monday
County Administrator
