PURCHASING DEPARTMENT

I. GENERAL CONDITIONS AND INSTRUCTIONS TO BIDDERS/OFFERORS

1. Reservation of County Rights:

The County reserves the right to accept or reject any or all bids, to waive any informality and to make an award to a party other than the low bidder, if deemed in the best interest of the County, subject to the provisions under the Virginia Public Procurement Act.

The County does not discriminate against faith-based organizations.

2. Laws of the Commonwealth:

Any purchase order/contract resulting from this bid process shall be governed; in all respects whether as to its validity, construction, capacity, performance or otherwise; by the laws of the Commonwealth. Successful bidders providing goods to the County herewith assure the County that they are conforming to the provisions of the Civil Rights Act of 1964, as amended, as well as the Virginia Fair Employment Act of 1975, as amended, where applicable and Section 2.2-4311 of the Virginia Public Procurement Act which provides:

In every contract of over \$10,000 the provisions in 1 and 2 below apply:

(1) During the performance of this contract, the contractor agrees as follows:

A. Nondiscrimination Clause: The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

B. Equal Opportunity Employer: The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

C. Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

(2) Subcontractors: The contractor will include the provisions of the foregoing paragraphs A, B, and C in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.

(3) Drug Free Workplace – During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor’s employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, possession, or use of a controlled substance or marijuana is prohibited in the contractor’s workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all

solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that such provision will be binding upon each subcontractor or vendor.

3. Tax Exemption:

The County is exempt from State sales, and use taxes and will issue a Certificate of Exemption upon request. Deliveries against any items of this bid procedure shall be free from any excise or transportation taxes. Excise exemption registration NO. 54-600-1508 may be used when required or necessary on behalf of the County.

4. Modifications, Additions, or Changes:

Modifications, additions, or changes to the terms and conditions of this invitation to bid may be cause for rejection of your bid. All bids shall be entered on the official bid forms, if provided. Bidders who attach or submit bids on their or any other forms may be considered unresponsive and may be rejected if an official bid form is provided.

5. Delivery Point:

Except when otherwise specified herein, all items shall be F.O.B. delivered to any point within the County as directed by the Central Purchasing Department.

6. Transportation and Packaging:

The authorized agent by signing this bid certifies and warrants that the bid price offered for F.O.B. destination, includes only the actual freight rate costs at the lowest and best rate and is based on the actual weight of the goods to be shipped. Except as otherwise specified herein, standard commercial packaging, packing and shipping containers shall be used. All shipping containers shall be properly and legibly marked or labeled on the outside with the commodity description and number, size and quantity.

7. Evaluation of Bid Documents:

If any prospective bidder is in doubt as to the true meaning of any part of the specifications or other bid documents, the prospective bidders shall submit a written request, within the time frame provided, after receipt of the invitation to bid to the Central Purchasing Department. The Central Purchasing Department will have final authority to review any discrepancies or deficiencies in the specifications and then make the necessary interpretations or revisions. Interpretations or revisions shall be made official by the issuance of any necessary addendum and distributed to all potential bidders. The Central Purchasing Department will not be responsible for explanations or interpretations of the bid documents, except as issued in writing by the Purchasing Manager and/or County Administrator.

8. Default:

In the case of default by the successful bidder or failure to deliver the goods or services ordered by the time specified, the Department of Central Purchasing, after due written notice may procure these goods or services from other sources and hold the defaulting vendor responsible for any excess cost occasioned thereby.

9. Anti-Collusion Certification:

The authorized agent by signing this bid certifies and warrants that this bid is made without prior understanding, agreement, or connection with any corporation, firm or person submitting a bid for the same materials, supplies, equipment or services, and is in all respects fair and without collusion or fraud. The signing agent understands collusive bidding is a violation of the Virginia Governmental Frauds Act and Federal Law and can result in fines, prison sentences, and civil

damage awards. The signing agent also agrees to abide by all conditions of this bid and certifies that he or she is duly authorized to sign this bid for the bidder represented herein.

10. Kickbacks:

The signing agent certifies and warrants that neither he/she nor the bidder from whom he/she is authorized to act has offered or received any kickback from any other bidder, suppliers, manufacturer, or subcontractor in connection with his/her bid on this solicitation. A kickback is defined as an inducement for the award of a contract, subcontracts or order, in the form of any payment, loan, subscription, advance, deposit of money, services or anything, present or promised, unless consideration of substantially equal or greater value is exchanged. Further, no person shall demand or receive any payment, loan, subscription, advance, deposit of money, services or anything of value in return for an agreement not to compete on a public contract.

11. Gifts by Bidder, Offeror, Contractor, or Subcontractor:

No bidder, offeror, contractor, or subcontractor, shall confer on any public employee or official having formal responsibility for a procurement transaction, any payment, loan, subscription, advance, deposit of money, services or anything of more than nominal value, present or promised, unless consideration of substantially equal or greater value is exchanged.

12. Termination/Cancellation of Contract:

Subject to the provisions below, the contract may be terminated by either party upon sixty (60) days advance written notice to the other party; but if any work or service hereunder is in progress, but not completed as of the date of termination, then this contract may be extended upon written approval of the County until said work or services are completed and accepted.

A. Termination for Convenience

In the event that this contract is terminated or cancelled upon request and for the convenience of the County, without the required sixty (60) days advance written notice, then the County shall negotiate reasonable termination costs, if applicable.

B. Termination for Cause

Termination by the County for cause, default or negligence on the part of the appraiser or firm shall be excluded from the foregoing provision; termination costs, if any, shall not apply. The sixty (60) days advance notice requirement is waived in the event of Termination of Cause.

C. Non-Appropriation Clause/Termination due to Unavailability of Funds in Succeeding Fiscal Years

When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal year, the contract shall be cancelled and the contractor shall be reimbursed for the reasonable value of any non-recurring costs incurred but not amortized in the price of the supplies or services delivered under the contract.

13. Quantities:

Quantities set forth in this invitation are estimates only, and the successful bidder shall supply at bid prices actual quantities as ordered regardless of whether such total quantities are more or less than those shown.

14. Ordering:

All orders from the County shall be issued by the Central Purchasing

Department. A County purchase order number is required for the contract; yet partial order quantities and deliveries will be accepted upon request or as outlined in the Special Specifications, by the Central Purchasing Department. No other department or personnel other than those in the Central Purchasing Department of the County are qualified to issue purchase orders, make changes in orders, or accept delivery on orders under this contract without specific written authorization being received by the contractor from the Central Purchasing Department or as otherwise specified in the Special Specifications.

15. Invoices/Billing Process:

Invoices for items ordered, delivered, and accepted by the Central Purchasing Department or authorized departments shall be submitted by the contractor directly to the Accounting Department, at the address shown on the purchase order. The purchase order number must be referenced on all invoices regardless of quantities delivered, backordered, etc. Any outstanding quantities not included in the billing or invoice should be shown on a separate statement specifically marked, as not being an invoice for payment yet is an accountability of items and cost outstanding.

16. Discounts:

All bids will be evaluated and awarded on net prices. Cash discounts will not be considered in making awards. If cash discounts for prompt payment are offered, it must be clearly shown on the bid forms in the space provided. On monthly invoices any payment terms must be clearly marked. The County will attempt to take advantage of any such discounts provided our timetable allows us to do so.

17. Hold Harmless:

The successful contractor assumes and agrees to indemnify, defend and hold harmless Pittsylvania County, Virginia, its officers, agents, and employees from any claims, damages and actions of any kind or nature, whether at law or in equity, arising from or caused by the use of any materials, labor, goods, or equipment of any kind or nature furnished by the contractor, provided that such liability is not attributable to the sole negligence on the part of the using agency or to the manner outlined by the contractor and description literature or specifications submitted with the contractor's bid.

18. Warranty:

The contractor shall provide warranty documents on any material, goods or equipment of any kind or nature provided by the contractor, his subcontractor or other agents. The warranty shall be in effect for the period of time specified.

19. Contractual Intent

Upon successful award of this bid by the County, it is the County's intent to have a written contract fully executed by all participating parties. This contract shall delineate the capacity, performances and considerations for all parties involved.
