

**PITTSYLVANIA COUNTY BOARD OF SUPERVISORS  
SOLE SOURCE AWARD**

**APPROVED BY: PITTSYLVANIA COUNTY ADMINISTRATOR**

**VENDOR: Faro Technologies, Inc  
250 Technology Park  
Lake Mary Florida 32746**

**SUBJECT: FARO Focus Laser Scanner**

**COST: \$53,509.54**

It has been determined that there is only one source practicably available, for that which is to be procured. The equipment, parts, and/or services requested for this order are to be acquired as a sole source or single source procurement for the following reason(s):

1. FARO Technologies is the sole developer and manufacturer of the 3D scanners and the sole provider of the software services, warranty, maintenance, annual calibration and training. See attached sole source documentation.

Pittsylvania County certifies that all requirements of the SS 2.2-4303 of the Virginia Public Procurement Act have been met for this procurement.
