# **NOTICE OF PROPOSED REAL PROPERTY TAX INCREASE**

The Board of Supervisors of Pittsylvania County, Virginia, proposes to increase property tax levies.

1. **Assessment Increase:** Total assessed value of real property, excluding additional assessments due to new construction or improvements to property, exceeds last year's total assessed value of real property by 37.86 percent.
2. **Lowered Rate Necessary to Offset Increased Assessment:** The tax rate which would levy the same amount of real estate tax as last year, when multiplied by the new total assessed value of real estate with the exclusions mentioned above, would be \$.45 per \$100 of assessed value. This rate will be known as the "lowered tax rate".
3. **Effective Rate Increase:** The Board of Supervisors of Pittsylvania County, Virginia, proposes to adopt a tax rate of \$.59 per \$100 of assessed value. The difference between the lowered tax rate and the proposed rate would be \$.14 per \$100, or 31 percent. This difference will be known as the "effective tax rate increase". Individual property taxes may, however, increase at a percentage greater than or less than the above percentage.
4. **Proposed Total General Fund Budget Increase:** Based on the proposed real property tax rate and changes in other revenues, the total General Fund budget of Pittsylvania County, Virginia, will exceed last year's by 10 percent.

A public hearing on the proposed real estate tax increase will be held on Thursday, March 28, 2024, following the County Budget and the School Budget Hearings, which commence at 7 PM at the Pittsylvania County School Educational and Cultural Center Auditorium located at 39 Bank Street, Chatham, Virginia.
