Subject: FY 2025 Budget Amendment

Date: August 16, 2024

Attached you will find the amended budget for FY 2024-2025. The final approved General Assembly budget for FY 2025 included an additional \$3.1 million in state revenue for Pittsylvania County Schools. The majority of this revenue increase is related to At-Risk services. The 2024-2025 adopted budget needs to be amended to add the additional funds provided by the General Assembly, the remaining ESSER ARP III funds for the Broadband Project and the SCAP funds for Southside Elementary School HVAC project. This amendment does not require any additional local funds. Please approve and appropriate the amended budget as presented.

Thank you.
