

APPLICATION FOR SOLID WASTE COLLECTIONS LICENSE

(please fill in all blanks and attach supporting information as necessary)

Chapter 17 of the Pittsylvania County Code requires that any person or company that collects, transports, or disposes of any solid waste or recyclable material generated in the County must first obtain a license from the Commissioner of Revenue. Solid Waste Collection Licenses are issued annually each calendar year and will be valid from January 1 through December 31. The fee shall be fifty dollars (\$50.00) per vehicle, up to a maximum of two hundred fifty dollars (\$250.00) per company. There shall be no proration of the fee for a license issued after the beginning of any calendar year. Each licensee shall annually submit a renewal application of his/her permit no later than the 1st of December by paying the current annual license fee. The annual renewal application must indicate any changes from the original license application and must be signed by a business owner.

Minimum Standards for Licensure

Any licensee as described herein who does not comply with the following minimum standards shall be subject to suspension of the license issued under this Section:

1. Haulers transporting solid waste within the County shall prevent or remedy any spillage from vehicles or containers used in the transport of such solid waste. The vehicles shall be securely covered, watertight, strongly built, and kept thoroughly cleaned and well maintained. Except for roll-offs, open trucks, or trucks covered with tarps will not be used for the collection of solid waste.
2. Solid waste shall be collected in vehicles which are suitable and dedicated for use in performance of such collection, which bear prominent legible marking, signs, or decals identifying them as being solid waste collection vehicles and bearing the name, address, and telephone number of the licensed hauler.
3. Haulers shall maintain minimum liability coverage on each vehicle used for such collection as mandated by the Commonwealth of Virginia.
4. The premises wherein vehicles, equipment, and offices are maintained shall be kept in a clean and sanitary condition. An accumulation of solid waste or recyclable material which tends to create a health problem or nuisance shall not be permitted on such premises.
5. All vehicles shall be emptied before being placed on the licensee's premises for overnight parking (except for Sunday nights only, where the vehicle will be emptied first thing Monday morning).

I affirm that all information provided on this application is true and correct to the best of my knowledge. I understand that if this application is approved and a collections license is issued, I agree to abide by all applicable laws and regulations, including but not limited to Chapter 17 of the Pittsylvania County Code, in conducting all aspects of the solid waste collections operation. In addition, I hereby grant designated officials of Pittsylvania County the right to enter the premises listed above for the purpose of inspection to determine whether the premises and vehicles comply with the provisions of the Code or any other Ordinance, Resolution, and/or County regulation.
